Publications

An Ensemble-Based Approach for Parkinson's Disease Prediction Leveraging Clinical and Lifestyle Data

Taylor and Francis Books ↗
Accepted & Presented

Efficient and Interpretable Skin Lesion Classification Using Light HybridViT: A Hybrid CNN-Transformer Model

IEEE Xplore ↗
Accepted & Presented

RosLightNet: A Lightweight DCNN Framework for Automated Rose Leaf Disease Classification with Interpretable Visual Explanations

IEEE Xplore ↗
Accepted & Presented

Lightweight and Explainable CNN for Accurate Multi-Species Medicinal Leaf Disease Detection

IEEE Xplore ↗
Accepted & Presented

Projects

On The Go Jan 2025 – Apr 2025
- A Flutter-based mobile app featuring a social media platform for real-time traffic, road conditions, and movement updates.
- Tools Used: Flutter, Live Maps, Location-based APIs

Farmers Portal May 2025 – Aug 2025
- A Laravel-based web portal for farmers featuring real-time market price catalogs, crop disease detection with Gemini API, and cure recommendations.
- Tools Used: Laravel, Gemini API, Real-time weather API

The Impact of Transformational and Transactional Leadership on Employee Innovation and Work Engagement: A Moderation Analysis Nov 2025 – Dec 2025

- An empirical freelancing project for a Hungarian client, analyzing the effects of leadership styles on employee innovation and work engagement using moderation analysis.
- Tools Used: SmartPLS, SPSS, Moderation Analysis

Factors Influencing Women Empowerment through the E-Commerce Sector Sep 2025 – Dec 2025

- A research-based study analyzing survey data from women aged 20–25 to derive insights on e-commerce and empowerment.
- Tools Used: SPSS, PLS-SEM

Technical Skills

- **Programming Languages:** Python, C
- **ML Frameworks:** Keras, TensorFlow, PyTorch, NumPy, Pandas, Matplotlib, Scikit-learn
- **Data Analysis Tools:** SmartPLS, SPSS
- **Utilities:** LaTeX, Visual Studio, Anaconda, Git, Jupyter Notebook, SQL, Microsoft Office
- **Circuit Simulation and Design**: Arduino

Certifications

- **Participant Certificate** – Take Off Programming Contest, Algorithm Contest
- **Publication Certificate** – Conf BIM2025
- **English language certificate** -English Therapy

Languages

- **English** – Proficient
- **Bangla** – Native
- **Hindi** – Advanced

Volunteering

- Volunteered at **DIU CPC – Daffodil International University** – Take Off Contest-2023, Algorithm Contest-2022 & 2023
- Volunteered at **Daffodil International University** – Club Carnival-2022
